Have a Drink on Us!" There is no better place for an afternoon beverage and a fine cigar than Cigarz Lounge. We know you love this place, and we think it is time you start showing it off to your friends. So from noon to 7:00 p.m., Mondays thru Fridays, we'd like to buy you and your friends a drink.....here's the catch....your friend has to be new to Cigarz Lounge. That's right, if you bring in someone that has not yet enjoyed the Cigarz Lounge experience, you and your friend's first well drink or beer is on us.

This will truly be an enjoyable night of good appetizers, featuring  
Perdomo Cigars paired with Amador Double Barrel Bourbon, aged  
in Napa Valley Wine Barrels. We will be featuring four Perdomo  
Cigars. Be sure to make your reservation

**Champagne Series:** You'll want to start the evening with this one. The beautiful  
Connecticut wrapper is rolled perfectly. This is a cool smoke with notes of car-  
amel, nuts and a slight hint of spice.

**20th Anniversary:** A true crowd pleaser. This cigar celebrates Perdomo's 20th  
Anniversary. JR Cigar has 326 reviews by everyday smokers just like us, with  
an over 4.5 out of 5 star rating. A must try

**Special Craft Series:** Who doesn't love a cigar with a fine scotch or bour-  
bon? Well, these cigars are specifically blended to go with the ever growing  
craft beer trade. It is sure to be a great experience.

**Factory Tour Blend:** There was a time when you could only get this cigar by  
touring the Perdomo factory.....in Nicaragua. It was so popular that Nick Per-  
domo has decided to release it to the public. Fashioned with a specially  
aged Nicaraguan binder and filler, it is covered with a gorgeous silky  
smooth Ecuadorian wrapper. You'll want more than one of these!
